Many children have some medical or special needs when they start school, but the majority will not be given any additional priority of admission. It is still very important though, that we are told of any medical or special needs your child may have before he/she starts school. For example, you should let the school know if your child has a nut allergy or is diabetic.

This Application form is only for Nursery. If you wish to apply for the Reception class for the following year you will need to contact the school between 1st October 2010 and 15th January 2011.
